17:15 Bus to Lecco
Registration fee
Registration deadline for the SCENE Symposium is September, 01, 2018. Please register your attendance by e-mail to Simona Losi at: convegni@lanostrafamiglia.it. Please note that there are a limited number of places at the symposium (N = 100) and all places will be allocated on a first come first served basis. The SCENE Symposium is a non-profit initiative. The registration fee is 60,00 € per participant to cover basic expenses. This includes coffee breaks, lunches at the Institute, certificate of attendance and bus transportation from Lecco to meeting venue (see Accommodation section).

Attendance
The SCENE Symposium is structured into two days: the first day includes presentations/talks on findings and/or data reviews from current research; the second day will focus only on potential further research. The registration fee covers both days. However, based on your interests, you may wish to attend one day only. In this case, you are welcome, but please be aware that: 1) the full registration fee will need to be paid; 2) please note your choice in your email when you register for the event. The meeting is not accredited for Continuing Medical Education (CME). The official language of the meeting is English.

Meeting Venue
The Scientific Institute IRCCS “Eugenio Medea”, Bosisio Parini, Lecco, Italy. “Eugenio Medea” is a Scientific Institute for Research, Hospitalization and Health Care that mainly works with child and adolescent neurological and neuropsychiatric disorders (https://www.emedea.it). The Institute is the scientific section of Association “La Nostra Famiglia”, a non-profit organisation founded in 1946, whose purpose is to promote and safeguard health care, education and services for children with special needs.

Accommodation
All participants need to arrange and pay for their own accommodation in Lecco (the meeting venue is approximately 13 kilometers from Lecco). A special discount/price for SCENE Symposium guests has been negotiated with two hotels (see below). Please remember to provide the discount code when processing your booking. We advise that all accommodation bookings should be made by September, 01, 2018. Bus transportation to and from Lecco will be available on each day of the Symposium. We will provide further details about the bus meeting point after registration deadline.
