

Social Programme of the International Summer School 2011

Please note that the Social Programme may still change before and during the International Summer School. Most of the activities will require you to sign up for them in advance. The sign up lists will be placed in the lecture room 07 in the beginning of each week.

The Social Programme will be on view in the lecture rooms and any changes to the times or places will be announced through email and notices in the lecture room.

Social Programme is included in the Summer School fee unless stated otherwise.
