Instructions

For one study point, students take part in 5 guest lectures or other events organized by NAMS or the John Morton Center (JMC). For two study points, a total of 8 events is required. NAMS and JMC will advertise the events which are accepted. Students can collect signatures for events organized during several semesters.

To qualify for the study points, students will

- collect signatures for each event from the person responsible
- deliver the printed lecture pass to Janne Korkka (Department of English, Rosetta building)
