

PHILOSOPHY OF MEDICINE 2018

In *The Philosophy of Medicine* course, students learn about the philosophical and ethical questions and problematics of the medical sciences. After this study module, the student will be expected to understand the nature of scientific thinking and be familiar with responsible conduct of research. To pass this course, students are required to attend the lectures and to write one essay (of 1500 words) on a suggested or self-chosen topics. Submission date: First of June 2018

For detailed instructions, go to Moodle 2 -> Faculty of Medicine -> Institute of Clinical Medicine -> Medical Ethics -> Philosophy of Medicine

Teacher in Charge: Professor Veikko Launis, Institute of Clinical Medicine (vlaunis@utu.fi)
