List of abbreviations:

Credit Point (CP): Credit points are based on the ECTS system. The bachelor's degree consists of 180 credit points and the master's degree of 120 credit points. The only exception is the Master of Psychology degree, which is 150 credit points. The extent of the Licentiate in Medicine degree is 360 credit points and the Licentiate degree in Dentistry 300 credit points. The normative yearly amount of studies is 60 credit points with a duration of three years of the bachelor's degree and two years of the master's degree. Lectures, exercises, and other forms of instruction as well as independent study are included in the hours required for one credit.

Level of Studies (L): Y General Studies, P Basic Studies, A Intermediate Studies, S Advanced Studies, J Postgraduate Studies, K Language Studies, V Preparatory Studies, O Study Module
