Seminar (virtual)
14th-15th March 2016

Place: Åbo Akademi University, (G18)
Address: Yrjönkatu/Georgsgatan 18, 00120 Helsinki/Helsingfors

Course leader: Professor Carola Wärnå-Furu, Åbo Akademi University

Teachers: Professor Arne Rehnsfeldt, Høgskolen Stord/Haugesund, Norway
Docent Maria Arman, Karolinska Institutet, Sweden

Purpose: To deepen the understanding of an inner ontological ethics from a caring science perspective, and to penetrate current ethical issues.

Credits: 2 ects for attending lectures and presenting abstract
4 ects for seminar assignment and participation in the seminars

Learning methods: Reading the literature in advance. Lectures, reflection, text reading, seminar assignment and seminars (virtual).

Literature: See below

Outcomes and evaluation: After the course students should understand how outcomes depend on if research conducts from an ethos or ethical view, and be able to recognize different abstraction levels in caring and nursing science and to elucidate this in ongoing research.

Students evaluate the course according to the evaluation form of the Finnish Doctoral Education Network in Nursing Science

Contact person: Coordinator Kaisa Kauppi kaemka@utu.fi

Registration: No later than 2 November 2015 via e-form:
