

Programme Specific questions for BDP + MDP In Primary Teacher Education

These questions will be asked on the Application form you will find in studyinfo.fi after the start of the application period. This document has been created so that applicants can familiarize themselves with the programme specific questions and prepare answers in advance. This is particularly relevant for possible motivation letters and other questions requiring a longer answer. We recommend you draft the answer in advance and then copy and paste the text onto the application form. Please note that unless stated otherwise the answers should be written directly onto the application form and not be added as attachments.
