

The Finnish Atherosclerosis Society

19th Annual Conference, June 11-12, 2026, Turku, Finland

The annual conference of the Finnish Atherosclerosis Society (SATY ry) 2026 will be organized at the Alhopuro hall, University of Turku, Turku, Finland.

Finnish Atherosclerosis Society is a national society of European Atherosclerosis Society (EAS). The annual conference represents a broad spectrum of basic, translational, and clinical research ranging from cellular metabolism to life-course prevention and detection of atherosclerosis and cardiovascular disease. Oral and poster presentations will be selected from the abstracts, giving young researchers the opportunity to present their exciting research.

The meeting will start in the afternoon on Thursday June 11th and end on Friday June 12th by 16:15.

The theme of the conference is 'From cellular mechanisms to early prevention and detection of atherosclerosis throughout the life-course'.

Tentative programme

Thursday, June 11

12:00-12:55 Registration and coffee

12:55-13:00 Opening of the meeting: Minna Kaikkonen-Määttä, President of SATY

SESSION I: Life-course perspective to atherosclerosis

13:00-13:50 Keynote lecture I: Terence Dwyer (Murdoch Children's Research Institute, Australia)

13:50-15:30 Presentations selected from the abstracts

15:30 - 16:00 Coffee break

SESSION II: Early detection of atherosclerosis

16:00-16:50 Keynote lecture II: Borja Ibánñez (CNIC, Spain)

16:50-18:30 Presentations selected from the abstracts

19:30 Conference dinner

Friday, June 12

8:45-9:45 Annual meeting of the Society

9:45-10:00 Coffee break

SESSION III: Immunometabolic approaches to atherosclerosis

10:00-10:50 Keynote lecture III: Jeffrey Kroon (Amsterdam UMC, Netherlands):

10:50-12:15 Presentations selected from the abstracts

12:15-13:00 Lunch

SESSION IV: From prediction to therapies of cardiovascular disease

13:00-13:50 Keynote lecture IV: Johan Björkegren (Karolinska Institutet, Sweden):

13:50-14:30 Presentations selected from the abstracts

14:30 - 14:45 Coffee break

14:45-16:00 Presentations selected from the abstracts

16:00-16:15 Young investigator awards, concluding remarks and farewell
