80th Anniversary of the Faculty of Medicine at the University of Turku

The Faculty of Medicine celebrates its 80th anniversary in 2023. The faculty has been a regional influencer and has made a true impact in promoting health and well-being in the Turku area since 1943. Over 10 000 health and science professionals have graduated from the faculty - doctors, dentists and masters in biomedicine and nursing science and over 2 300 have graduated as a doctor.

The anniversary year offers a rich variety of different events, and we want to invite our collaboration partners to celebrate with us by taking part in supporting the events in the form of the following sponsorship packages.

Donation

- If you wish, you can remember the anniversary of the Faculty of Medicine with a free donation to support medical and health science education and research. Donations of 850 € and more are eligible for tax deduction.
- Bigger donations (50 000 € and more) can be directed for a specific cause i.e. specific research area. This is always negotiated separately.
- You can also make the donation for the University of Turku Faculty of Medicine Research Fund at the Turku University Foundation. Through the fund even the smaller donations are directed to support medical and health science research. More information about the funds (in Finnish): [Nimikkorahastot | Turun Yliopistosäätiö \(yliopistosaaatio.fi\)](#)
- Please contact Faculty Manager Eeva Rainio eeva.rainio@utu.fi for more information about donations or read more on <https://www.utu.fi/en/university/donate>

Please be in touch if you got interested about the different sponsor packages or you want to support medical and health science research and education by donating.

Sincerely,

Pekka Hänninen, Dean
