TUUDO

Everything a student needs in one app

Reetta Smids 25.8.2026

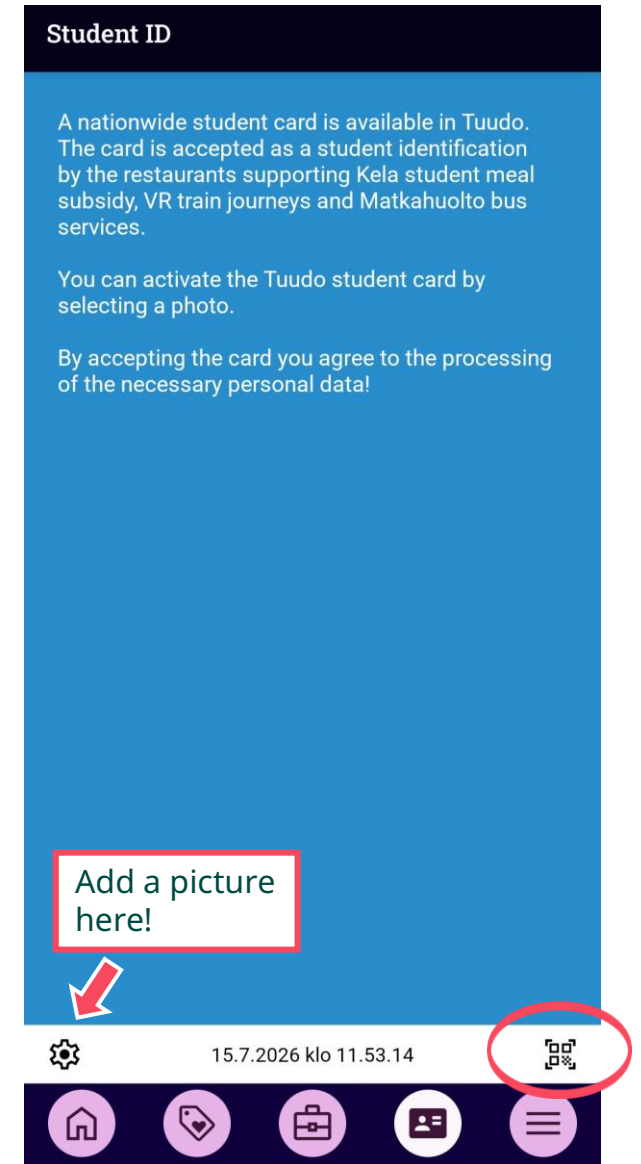

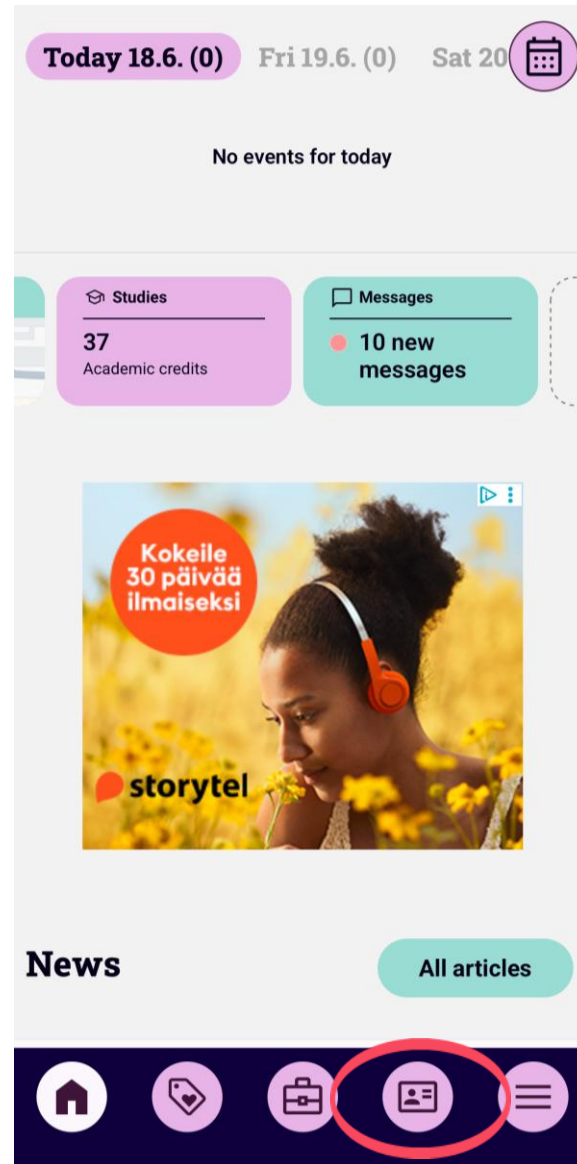

TUUDO – all-in-one app for students

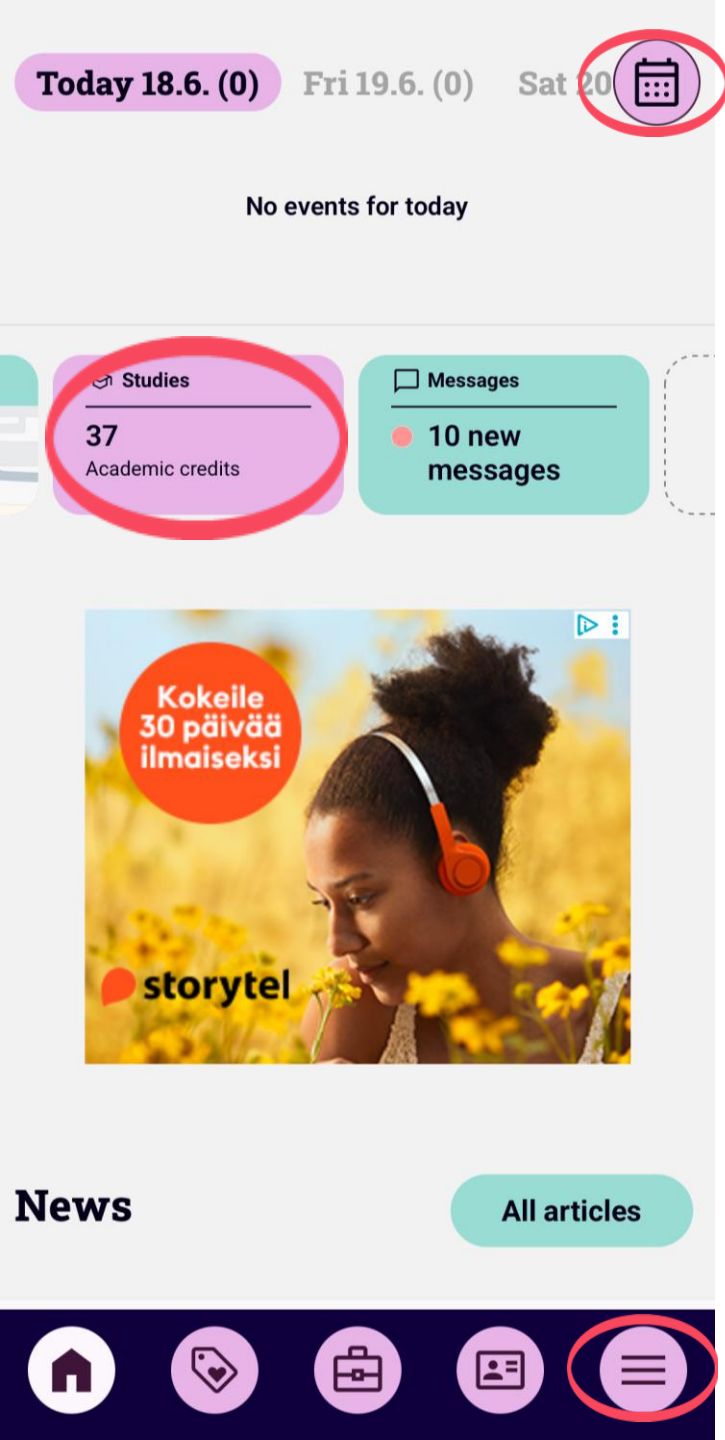

- Like all other students, exchange students have access to the Tuudo app
- It works as a student ID, so there is no need for a physical Student ID card!
- Log in with UTU credentials

Student ID

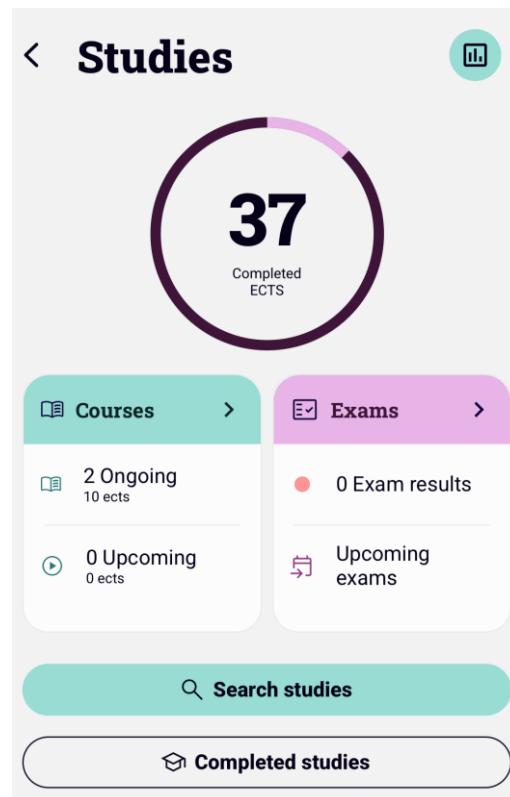

- Can be easily found from the bottom of the screen
- Once you take a profile picture, the student ID is active!
- At student restaurants etc. you may need to scan a QR code – it can be found on the right bottom corner

Follow your studies and schedule

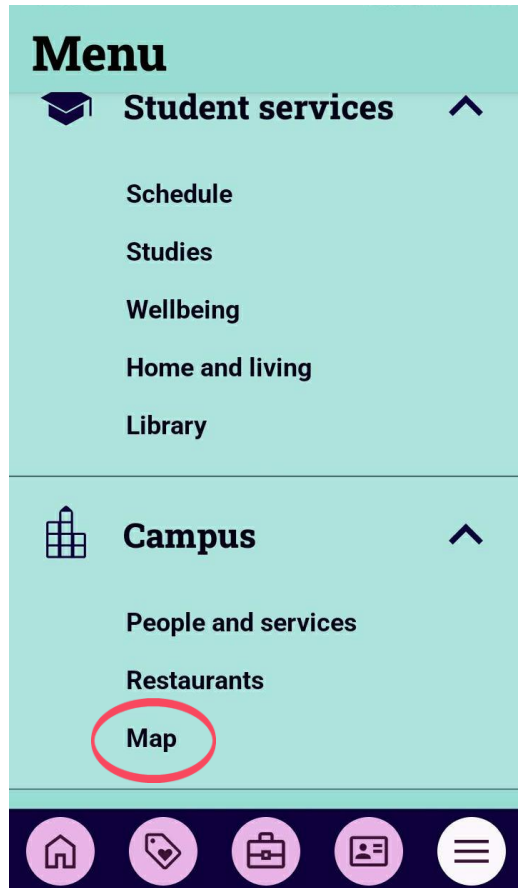

- Access your studies on the front page or the menu
- You can:
 - Register for classes
 - Keep up with your completed and upcoming courses

	ma 13.4.	ti 14.4.	ke 15.4.	to 16.4.	pe 17.4.

More than a student card

- Besides working as a proof of your student status, Tuudo lets you access everything you could need in your daily student life!
- Including, but not limited to:
 - Your UTU library card and info on your loans and reservations
 - University news (that you can customise!)
 - Student restaurant menus, opening hours, and locations
 - Contact information for university services and contact persons
 - Moodle messages
 - Discounts
 - ... And more!
