Monitoring of Societal Interaction

## Alumni Relations

# > Alumni Relations at the University of Turku

Builds active interaction and cooperation between the University and its alumni.

Supports the development of the University's education, research and social interaction by creating networks for experts and professionals in various fields.

The main focus of the activity is on the faculties.

# Alumni Story: Enguerrand Lanoire

*From France to Finland – building a career in intellectual property law.*

Enguerrand Lanoire is an alumni of University of Turku. He studied in the Master's Degree in Law and Information Society (LIS Programme) from 2014 – 2017. He currently works as a Patent Administrator at Sandvik Finland.

- + 1. How did you choose Finland as your study destination?
- + 2. Your experience when you were transitioning from being a student, a job seeker, and then being employed, how did that happen?
- + 3. Advice for a current student or job seekers.
- + 4. Do you recommend international students to learn Finnish?
- + Timeline of career journey
- + Strategic Volunteering timeline

# International Alum Story: Céline Kylänpää

*A career in Finland after moving to Turku as an exchange student*

Céline works as a Project Coordinator at the University of Turku. In this position, Céline is responsible for exporting the KiVa program to international markets and supporting the existing KiVa licensed partners in implementing the program in their region or country.

KiVa is an antibullying program developed at the University of Turku. The program is evidence based and offers a wide range of concrete tools and materials for schools to tackle bullying.

## Céline's story

- + Moving to Turku as an exchange student
- + Student life
- + Returning to Finland after end of exchange and studies in France
- + From learning Finnish to current job
- + How current work at KiVa relates to Céline's studies, experiences, and motivations
- + Career in Finland after studies - tips
