

**Faculty of Social Sciences****Call for Applications for Doctoral degree study rights and fixed-term Doctoral Researcher Positions at the University of Turku Graduate School, Doctoral Programme on Inequalities, Interventions and New Welfare State (DPIInvest)**

In this call for applications, you can apply for the right to study for a doctoral degree in University of Turku, Doctoral Programme on Inequalities, Interventions and New Welfare State (DPIInvest).

[The Doctoral Programme in Inequalities, Interventions and New Welfare State](#) is a cross-disciplinary, international PhD programme aimed at educating such specialists in social and behavioural sciences. The doctoral programme includes sociology and psychology for the Faculty of Social Sciences and child psychiatry for the Faculty of Medicine.

DPIInvest is part of [the INVEST Research Flagship Centre](#), which is one of the internationally leading research centres studying inequality and wellbeing unfolding from the early life-course onwards. INVEST's cross-disciplinary research addresses societal changes brought on by demographic trends, digitalization and polarization.

Societal challenges are addressed through five research themes:

- Socioeconomic and intergenerational inequalities
- Demographic changes and family dynamics
- Education, skills and learning
- Child and adolescent psychosocial well-being and mental health
- Public health and health equity

Our goal is to improve the sustainability of the welfare state with evidence-based interventions and investments.

**Application period and what can be applied for**

During the application period 29 August – 12 September 2025, you can apply for:

- a. The right to study for a doctoral degree in the Faculty of Sciences or Faculty of Medicine at the University of Turku in the Doctoral Programme Programme on Inequalities, Interventions and New Welfare State (DPIInvest) from 1 January 2026 onwards***
- b. A fixed-term doctoral researcher position with an employment contract***

The position of a doctoral researcher is set to begin on 1 January 2026 at the earliest and for the duration of a maximum of four years (up to until 31 December 2029). The

positions are intended for full-time doctoral dissertation research and completing the doctoral studies. Duties other than those related to doctoral dissertation research, such as teaching duties, must be proportioned so as not to compromise the completion of the doctoral dissertation within the planned schedule. As a rule, up to 5% (a maximum of about 80 hrs per academic year) of the annual working time of the doctoral researcher can consist of teaching and other duties not related to the dissertation research.

When determining the length of the employment contract, the funding previously granted for doctoral degree is taken into account, as well as the timetable and the stage of completion of the degree. The maximum duration of a doctoral researcher position is four years. A person already awarded with a doctoral degree may not be appointed to a position of doctoral researcher with an employment contract.

The position of doctoral researcher with employment contract requires working in Finland. The doctoral researcher works at INVEST Research Flagship Centre. The place of employment is Turku. The University of Turku offers flexible possibilities for remote work.

The salary is based on the salary system of the University's teaching and research staff. Salaries will consist of a task-specific salary component and a personal performance salary component. The task-specific salary component of a doctoral researcher varies between levels 2 to 4, depending on the stage of the doctoral degree. In addition, a personal performance salary component is paid. The salary of a doctoral researcher varies between approximately € 2 500 and € 3 300, depending on the progress of the doctoral research and the experience and skills of the person concerned. The probationary period of 6 months applies.

***c. Both of the above (a ja b)***

**What is expected of you**

**When applying for a right to study**

- You are required to have completed a relevant Master's degree awarded by a university or a university of applied sciences, or a relevant study programme abroad which in the awarding country gives eligibility for the corresponding level of higher education (Universities Act 558/2009, 37§). The degree that gives eligibility for admission must be completed by the end of the application period.
- You must fulfil the language requirements of the University of Turku. [Link to the University of Turku Graduate School's language requirements webpage.](#)
- You must fulfil the requirements set by the Faculty you are applying the study right from for granting a right to study. For more information, see:
  - [The prerequisites for the right to pursue doctoral studies at the Faculty of Social Sciences](#)
  - [The prerequisites for the right to pursue doctoral studies at the Faculty of Medicine](#)

**When applying for a doctoral researcher position with an employment contract**

- You must have an active right to study for the doctoral degree in the Doctoral Programme on Inequalities, Interventions and New Welfare State. In addition, when acquiring the degree or otherwise, you are required to have demonstrated the ability and motivation to undertake postgraduate studies and the capacity to complete a doctoral degree in accordance with the research plan (University of Turku Rules of Procedure 20.5.2022).
- If you have not yet been granted a right to study, you must apply for a right to study for a doctoral degree in the Doctoral Programme on Inequalities, Interventions and New Welfare State in the Studyinfo system (see instructions in the section 'How to apply for a right to study'). The right to study is a prerequisite for being selected for a position of a doctoral researcher;
- You are planning to pursue or pursuing your first doctoral degree;
- You have not previously received four years of full-time funding for a doctoral degree (employed as a doctoral researcher by the University of Turku).

**How to apply**

Applications for the right to study for a doctoral degree are submitted in the Studyinfo system, and applications for the position of doctoral researcher are submitted in the University of Turku's recruitment system (Talentti) by filling in the electronic application form and attaching required pdf attachments to the application.

**Please note that if you are applying for both the right to study and the doctoral researcher position with an employment contract, you must submit your application with attachments in both application systems (see below for details).**

The application attachments are described in more detail at the end of this Call for applications (Annex 1 & Annex 2). It is recommended that the application documents be written in English.

**How to apply for a right to study**

To apply, fill in the electronic application form on Studyinfo and submit the required attachments with the application form (see Annex 1). The Studyinfo application form will open on 29 August 2025 and close on 12 September 2025 at 4 pm (local time in Finland). [Link to the University of Turku Graduate School website where the application forms are published.](#)

In this application round, you can apply for admission to up to two doctoral programmes at the University of Turku. You can only have one valid doctoral degree study right at the University of Turku at a time.

Late applications will not be considered. You cannot change the study programme (doctoral programme) or the application after the application deadline.

Only the right to study for a doctoral degree is applied for in the Studyinfo system. If you also wish to apply for a doctoral researcher position with employment contract, you must apply for the position separately (see the section 'How to apply for a doctoral researcher position').

### **How to apply for a doctoral researcher position**

To apply for a doctoral researcher position with an employment contract, fill in the electronic application form in the University of Turku's recruitment system (Talentti) and submit the required attachments with the application form (Annex 2). The application form will open on 29 August 2025 and close on 12 September 2025 at 4 pm (local time in Finland).

The positions will be advertised in the Open Positions of the University of Turku and on the website of the University of Turku Graduate School at the beginning of the application period. [Link to the University of Turku Graduate School's website where the application forms will be published](#). Late applications will not be considered. It is not possible to change the doctoral programme or the application after the deadline.

To be eligible for the position of a doctoral researcher, the applicant must have an active right to study for a doctoral degree in the DPlinvest. If you have not yet been granted a study right for a doctoral degree in the doctoral programme, you must apply for a right to study from the Doctoral Programme on Inequalities, Interventions and New Welfare State in the Studyinfo system (see the section 'How to apply for a right to study').

### **Evaluation of applications**

Applications will be assessed by the Doctoral programme's Steering Committee and representatives of the doctoral programme disciplines after the application deadline. Applications may also be sent for evaluation to national and/or international reviewers. Shortlisted applicants for the fixed-term doctoral researcher position may be interviewed.

### **Admission criteria for the right to study a doctoral degree**

The programme steering committee reviews the applications and may also use external experts to assess the applications. The evaluation will take into account the following criteria:

- Quality of the research plan (general quality, feasibility, relation to the doctoral programme research profile). The research plans attached to the applications may be checked with the Turnitin OriginalityCheck plagiarism detection software in accordance with the University of Turku quality assurance system.
- Success in previous studies (master's thesis, or equivalent, grade and other studies)
- How well the research plan is link with [the research themes of the programme](#)
- Availability of resources for supervision

The applicant must provide in the application a supervisor from the doctoral programme who meets the requirements of the faculty in question and who has approved the research plan and agreed to be the first supervisor of the research.

The steering committee of the doctoral programme will make a proposal on granting the study rights to a doctoral degree.

### **Evaluation of the applications for the position of doctoral researcher**

Particular attention will be paid to the following:

- Quality of the research plan (general quality, feasibility, relation to doctoral programme research profile). The research plans attached to the applications may be checked with the Turnitin OriginalityCheck plagiarism detection software in accordance with the University of Turku quality assurance system.
- Success in previous studies, if the applicant has not yet started a doctoral degree at the University of Turku (master's thesis, or equivalent, grade and other studies)
- Scientific merit and progress in doctoral studies
- How well the research plan is link with [the research themes of the programme](#)

The evaluation is carried out as an overall assessment, taking into account the stage of the research career. The funding needs of applicants in relation to the funding periods available will also be taken into account. The doctoral programme is multidisciplinary and aims to promote all research fields, which may be taken into consideration when positions are filled.

## **Decisions**

### **Decisions on the study rights**

The Dean of the Faculty decides on granting the right to study for a doctoral degree, based on the proposal of the Steering Committee of the Doctoral programme. All applicants will be informed of the decisions personally (email) by 28 November 2025 at the latest.

An admitted applicant has to notify the University of Turku of their acceptance of the study place by 3 pm (local time in Finland) on 15 December 2025 according to the instructions given in the admission notification. If the admitted applicant does not give the notification by the end of the allotted time period mentioned above, the applicant forfeits the study place. A person admitted to more than one university or polytechnic degree programme only notifies the one educational institution at which they choose to accept the study place. Notification, i.e. accepting a study place, is binding and may not be cancelled or changed later. According to Finnish university legislation, an applicant may accept only one study place leading to a higher education degree in Finland during one academic term (autumn term 1 Aug – 31 Dec or spring term 1 Jan – 31 Jul). This rule applies to all higher education, i.e. Bachelor's and Master's level degrees awarded by Finnish universities of applied sciences, Bachelor's and Master's degrees awarded by Finnish universities, and Licentiate and Doctoral degrees awarded by Finnish universities. This regulation is not applied to study rights received in transfer student selections, from the Åland University of Applied Sciences, from the Police University College, and from institutions of higher education outside Finland.

The applicants who have completed their prior degree in a country other than Finland and who are granted a study right in this call, need to deliver either the original degree certificates or certified copies of the original degree certificates and their translations to the University of Turku, as instructed in the admission notification, on 6 March 2026 at the latest. If the admitted applicant does not deliver the required certificates by the deadline, they forfeit the study right. [Link to the instructions on delivering certificates and country-specific requirements.](#)

### **Decisions on the doctoral researcher positions**

The Head of INVEST Research Flagship Centre will decide on recruitment of the applicants for a fixed-term doctoral researcher positions, based on the proposal of the steering committee of the Doctoral Programme. All applicants will be informed personally (email) of the decision. The names of those selected for the position of doctoral researcher will be published on the website of the doctoral programme ([www.utu.fi/dpinvest](http://www.utu.fi/dpinvest)) by 28 November 2025 at the latest. Doctoral researches selected for the position will be required to notify their acceptance of the position in accordance with the instructions given in the selection decision.
